Subject: FRITZ WHITSAK - GERMAN EURASIAN EMPLOYED AS JAPANESE

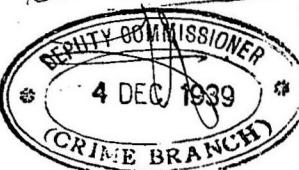

1. INTELLIGENCE AGENT.

Made by D.S.I. Maklaevsky

Forwarded by C. Gandy, D.S.I.

Information has been received from a very reliable source to the effect that one Fritz Whitsak, a German/Eurasian, owner of the East Asia Trading Company, with offices at Hamilton House, suit 331, is a secret agent in the employ of the 2nd. Department of the headquarters of the intelligence service of the Japanese Army in Central China.

Fritz Whitsak is about 40 years of age and an old resident of Shanghai and was formerly engaged in arms smuggling. He was at one time connected with a certain Eichhoff, a well-known German arms smuggler. Besides being an Intelligence Service agent, Whitsak is also acting as a go-between in handling matters of "delicate" nature on behalf of the Japanese and other interested parties.
